

Jacobs Joinery & Shopfitters

Units for Estee Lauder & Clinique

April, 2007

Jacobs Joinery & Shopfitters recently installed units for Estee Lauder and Clinique at the duty free store at the airport in Cape Town. The company has also done four other units that have been sent to Rome and are currently being installed.

The referral for this job came from the Cape Town Tax & Duty Free store and was commissioned by Estee Lauder in London. With the favourable rand and the company's ability to supply a quality product, it is hoped that this will be the first of many jobs for this international client.

The information in this news article have been made available to general media, industry and trade publications, and are included here as information references relating to various activities of Jacobs Shopfitters. Each release is dated, therefore certain statistical information may vary.
